Dear Parents and Carers,

We would like to take this opportunity to remind all parents that we provide wrap-around care and a wide selection of extra-curricular clubs. These are available to book on Parent Pay now for Autumn 2 places.

Please see the options and prices below.

Breakfast Club (£5 p/day)

Breakfast Club runs from 7.45-8.35 each day and costs £5.00 a day. At Breakfast Club, children can enjoy a healthy breakfast and a fun activity. Parents can select the individual dates that they would like to book a place for their child. You can confirm a place by booking and paying on Parent Pay.

Afterschool Club (£5/£7/£12 options)

Afterschool club runs from 3.20-5.30 each day and costs £12.00 a day for the full session. Afterschool Club bookings from 3.20-4.00pm costs £5.00 which is the same as extra-curricular clubs. If your child attends an extracurricular club until 4pm and would like to attend Afterschool Club afterwards until 5.30, that would cost £7.00. Afterschool Club provides children with a healthy snack and lots of games and activities to enjoy! Parents can select the individual dates that they would like to book a place for their child. You can confirm a place by booking and paying on Parent Pay.

Extra-curricular Clubs (£30 for a six-week programme)

We have a wide range of extra curricular clubs to choose from. They run from 3.20-4.00pm. These clubs cost £30 for a six week programme. To confirm your child's place, you must book on Parent Pay and pay the full £30 in advance. This works out as £5.00 per session. We have increased the options for our extra-curricular menu to provide children with more choice to explore their talents and interests.

From Monday 21st October, these will be the fixed prices going forward. It is our aim to ensure costs are fair, reasonable and good value. We want children to have a wide range of opportunities to enable them to explore their interests, develop their talents, work as a team and grow in confidence.

We also want to ensure our booking system is clear and that club payments are paid in advance to ensure school can continue to provide these extended learning opportunities.

Please see the range of extra-curricular clubs available and the scheduled weeks that these will take place on the next page.
